Personal Expenses (toiletries, cell phone, personal travel)	
Total Study Abroad Expenses	\$0.00
<i>*Many programs include these fees in their program costs. Work with your study abroad program or home school to see if these costs apply to you!</i>	
Differences between Funds and Expenses	\$0.00

The difference between your funds and expenses provides you with a sense of how much financial “wiggle room” you have for your time abroad. This amount can be utilized to cover extra expenses such as weekend excursions, meals in restaurants, cultural activities outside of your program, and other non-essential items.

This tool is to develop an estimate of costs, actual costs may vary from those projected above.
