

Gilman Program Awarding Deadlines/Timelines

Recipients may upload documents at any time. Please check the status of the [State Department Travel Advisory](#) for your program location frequently, as changes can come at any time. **The Gilman Program will review documents and distribute funds for virtual programs or programs with a Level 1 or Level 2 Travel Advisory only.** The Gilman Program will not review documents or distribute funds for any program in a country with a Travel Advisory level 3 or 4. If the Travel Advisory remains at a level 3 or 4 prior to the program start date, recipients will need to change programs in order to receive funds.
