USA Study Abroad, part of the U.S. Department of State's Bureau of Educational and Cultural Affairs (ECA), and its Benjamin A. Gilman International Scholarship Program are pleased to invite current recipients and alumni of the Gilman Program, the Critical Language Scholarship (CLS) Program, ECA exchange alumni, and all interested U.S. undergraduate and graduate students to attend the "Inside U.S. Foreign Policy Seminar: Climate and COP 27" on February 2, 2023, from Noon-2:00pm Eastern.

This 2-hour seminar will explore how the State Department advances U.S. foreign policy goals on climate change, with a specific focus on the process and outcomes of the 27th session of the Conference of the Parties of the 2022 United Nations Climate Change Conference or "COP 27" held in November 2022 in Sharm el-Sheikh, Egypt. Attendees will hear from technical experts and U.S. diplomats working in the State Department's Bureau of Oceans and International Environmental and Scientific Affairs, Bureau of Near Eastern Affairs, and the U.S. Embassy in Cairo, Egypt. The seminar will shed light on the complex innerworkings of American diplomacy connecting the State Department's strategic mission to the lives of people throughout the United States and around the world. Attendees will also have the chance to learn more about State Department career paths, along with internship and fellowship opportunities. Register [here](#)

Interested in learning more about how the State Department furthers U.S. foreign policy goals around the world? Please join the State Department's Benjamin A. Gilman Scholarship Program throughout 2023 for the "Inside U.S. Foreign Policy" series – a six-part virtual series offering an insight into the State Department's efforts to combat climate change, secure the global food supply, foster entrepreneurship, and promote other important foreign policy priorities on behalf of the American people. Stay connected to [Gilman's Inside U.S. Foreign Policy_page](#) – for series announcements and seminar registration.
